Dear Parents,

After much prayer and discussion with my family, I have decided to accept the position of Principal at St. Christopher School in Baldwin in September.

I would like to thank Msgr. Patrick, the Board, parents, teachers and students for their support during my tenure. I would also like to thank Msgr. Clerkin for his support and confidence in my ability to lead the school.

It has been a great blessing to have been part of the St. Peter's family these last three years and look forward to working with you until the completion of this school year.

You will always be a part of my heart and kept in my prayers.

Peace and blessings,

Mrs. Marianne Carberry
